

TM1 Klosterneuburg-Austria, Modra-Slovakia

Activities carried out:

- + visiting schools, winemaking and wine storage areas
- + presentation of the objectives and importance of the project by the coordinator
- + the presentation, by each project partner, of the activities taking place in the school and the influence of climatic factors in the area of origin
- + discussions regarding the importance of dual education, especially by the partners in Greece, who have experience in this education system
- + mentioning aspects related to commercialization and marketing policy, which differ from country to country
- + Job Shadowing activity, at a winemaking complex in Modra, made with European funds
- + concrete tasks were established for each of the partner countries.
- + the 6 mobilities were discussed and temporarily resettled, depending on the priorities of the project partners.
- + it was decided that the first mobility will take place in Greece, in October. 4 students and 2 teachers will participate in the mobility.
- + the activities that each partner must carry out were scored.
